With warmest sentiments to New Durham Chapel,

On such a monumental day in the history of your faith family, I want to personally take this opportunity to express my congratulations. Your 90 years of faithful service to the Piscataway community are exemplary and commendable. The multicultural and intergenerational ministry you extend to your neighbors is a manifestation of Christ's love to those who need it most. It is evident that the Lord has blessed your efforts, and I trust that He will continue to do so as you stand firm in His truths, proclaim His Word, and make disciples who reflect the image of Christ for years to come.

Pastor [NAME], I wish to honor your dedication to and investment in the ministry at New Durham Chapel and acknowledge what a blessing you are to your congregants, your community, and those you have trained and supported all around the world. Your heart for missions and church planting is a true inspiration, and we are here today celebrating this milestone in large part due to the impact you have had on this church. I would be remiss, however, to not also recognize your wife, [NAME], and the equally valuable contributions she has provided. Her support for you — coupled with her organizational prowess, her generous heart, and her spirit of hospitality — has paved the way for the church's success and growth, and for that she deserves the utmost gratitude.

On behalf of the Send Network here in our region, I want to thank you for your partnership in every form that it has taken. From formally affiliating with the SBC, to serving as a Send Network residency church, to offering of your finances and training, you have committed your time, energy, and resources to aiding our Kingdom efforts in the Northeast and beyond. We are blessed any time a church like yours joins our ranks and stands alongside us with a willingness to do whatever it takes to reach the lost with the gospel. New Durham Chapel, know that on this day — and every day — you are esteemed and appreciated. I celebrate with you today 90 beautiful years of ministry, but also the hope of many more ahead.

In proud cooperation for the advancement of His Kingdom,
